

HELLO!

Welcome all to the new School Blog! You may all be thinking what this is all for... well we're going to use this blog to keep everyone updated as to what is happening around our vibrant and buzzing school, where there is never a dull moment!

*Joe Bloggs*

With nearly two weeks of this school year complete, there is already much to report. With all students and staff now fully back into the swing of school life and adapting to new timetables and rooms etc there is never a spare moment. Even though we admit we're missing those lazy mornings when the alarm clock never rung and there was never any big deadlines to meet, we finally confess that school has many exciting and enjoyable moments too. Firstly, the biggest change we have noticed this year is the layout of the school, as three classrooms have been knocked together and this large multi-functional room has been named as the Learning Centre. This area is adapted to help different learners study to the best of their ability. Moreover, 6 new students have joined the Primary Unit and we warmly welcome our new Business teacher Miss O'Hagan:)
